

City of Norman Bicycle Advisory Committee
Minutes for December 9th, 2014 Meeting, 6:30 PM
City of Norman Municipal Complex
201 West Gray, Rm D, Building A
City of Norman Office Complex

(1) Roll Call and Introductions

Attendees: Tom Woodfin, Michelle Carr, Kim Floyd, Lee Krumholz, Meghan Wieters, Jonathan Mullen

Staff: James Briggs
Angelo Lombardo
OFC Katie Perry (NPD)

(2) Approval of November 2014 Meeting Minutes

Motion to approve: Kim Floyd / 2nd Michelle Carr – all in favor; approved

(3) Agenda

A. Bus Wrap follow-up

Need to talk to Karleene Smith to see if we can get the back of the bus and the side of the bus.

See what the parameters for the image are – what part can be image, does it have to be text.

Next step → after the agreed image needs to go to Angelo to take to City Council Conference Committee – needs to be scheduled WELL in advanced of meeting.

- Probably January meeting

B. BAC slide show update

Tom to send email to James Briggs to fill out images that he already has for the annual update slides.

C. Striping bike lanes on collector streets (Gary)

- Tabled item

D. Status reports:

- Enforcement (OFC Perry) – none

Texting and driving -> can be a state or city ordinance; generally Norman PD sees many examples of accidents resulting from texting and drivers look like they are driving drunk.

- OFC Perry will look into if this ordinance or issue is being pursued by Norman PD.
 - Failure to devote full time and attention is a current violation that can be given out.

Patrolling Ed Noble to north Tecumseh and 24th – reduce shoplifting during the holidays / seasonal.

Abandoned bikes – checked for stolen then left there or put in bike pen; auctioned off at some point

- City of Norman Updates (Angelo, James)

1. Bike May use Full Lane signage treatments

Budget -> examples of funded and **implemented** projects (1,2,3,4,5,6 – all completed, see table (image) below:

- 77nd to 108th –Comments to ODOT from City Manager; Resolutions from multiple years that show the ODOT plans are counter to City of Norman resolutions and plans. Requesting formal response from ODOT on removed bicycle lane and use of ROW. Multi-modal transportation is permitted in the state.
 - Consultant for ODOT was not given the multimodal as part of the scope of work; won't include the EIS
- Recreational – Saxon Trail → Hwy 6/36th closed right now in this section/ cedar Ln closed right now/Blue Creek – where the old donkey farm was; crushed granite is in place / putting in signage; bike trail – not sure how to signage it with mixed travelers (runners) 2K loop, 1/3 mile, 1.8K loop –not really intended for biking. 10' wide
 - Primary for cross-country running; mainly training area
 - Need 'etiquette' to prevent bad bicycle behavior since trail was grant-funded specifically for cross-country training

- May pursue an inner loop for bicycle recreational training

- Education, League Certify Instructors (LCI) - (Tom, Lee)

OK Bicycle Summit – Stillwater, Nov. 2015

- Topics being explored
 - OU Campus / Master Plan: BFU Designation (Tom)

No significant news.

- Comprehensive Transportation Plan (CTP) - (Open)
- Envision 2040 Citizens Advisory Committee
 - Long term vision for local strategies for transportation issues
 - Growth: 1.6 M by 2040 in region is projected; increasing jobs by 50%
 - No water quality component
 - Forecasting models – using old model
 - Website is or will be available
